Portal omogoča hiter dostop do tarif, davkov, pravil o poreklu, carinskih postopkov, trgovinskih omejitev in statistik o prometu, povezanih z izdelkom, ki ga želijo uvažati ali izvažati. Evropska komisija je vzpostavila spletni portal Access2Markets, ki bo malim in srednje velikim podjetjem pomagal pri trgovanju zunaj EU. Evropski komisar za gospodarstvo za ljudi Valdis Dombrovskis je o

portalu povedal: »Ta portal bo pomagal manjšim podjetjem krmariti v svetu mednarodne trgovine. Tako bodo evropska podjetja na eni sami točki našla pregled cele mreže trgovinskih sporazumov, kar jim bo omogočilo čim boljši dostop do trgov, izdelkov in informacij, ki jih potrebujejo za rast in konkurenčnost.«

Namen Access2Markets portala je izboljšati preglednost trgovinskih sporazumov in dostopnost carinskih olajšav. Portal omogoča hiter dostop do tarif, davkov, pravil o poreklu, carinskih postopkov, trgovinskih omejitev in statistik o prometu, povezanih z izdelkom, ki ga želijo uvažati ali izvažati.

Portal naj bi koristil tako podjetjem, ki že trgujejo mednarodno, kot tistim, ki jih šele zanimajo priložnosti na tujih trgih.

The screenshot displays the Access2Markets portal interface. At the top, there is the European Commission logo and a search bar. Below this, the 'DG TRADE' header is visible. The main navigation bar includes 'Home', 'Goods', 'Services', 'Investment', 'Markets', 'Toolbox', and 'Contact', along with a 'My Trade Assistant' button. The 'My Trade Assistant' section features a search form with three input fields: 'Product name or HS code', 'Country of origin', and 'Country of destination', followed by a 'Search' button. Below the search form, there is a video player titled 'Discover Access2Markets' and a navigation bar with icons for 'Rules of origin', 'Trade agreements', 'Trade barriers', 'Statistics', 'Company stories', and 'Focus on SMEs'. At the bottom, there is a 'TRADE HELPDESK' section and a promotional message: 'The same information in a new wrapping. Trade Helpdesk is becoming Access2Markets.' with a 'See more' button.
